

Current arrangements for shares are as follows:

- The fundraising share offer that we opened in May 2017 to raise money to buy the shop is now closed. People who purchased these shares and said they would like to claim Social Investment Tax Relief (SITR) should contact Mary Coles for application forms, which will be available in mid-November.
- We have now opened an additional Membership share offer to enable new people to purchase shares and thus become members of the CBS. Note that these shares are not eligible for SITR.
- People who purchased shares in the old company in 2015 and have said they would like to invest this money in the CBS will receive CBS share certificates to the equivalent value after the old company is fully closed, likely to happen in December. These shares will not be eligible for SITR.

Please contact - cbsroadwater@gmail.com for general CBS enquiries

Or mary.vanderhoek@gmail.com (the shares membership secretary/vice chair) for share enquiries.
