

Membership and Shares

CBS shares are withdrawable (conditions apply) and non-transferable ie cannot be bought and sold for profit. They can only be transferred in the event of death, as part of the deceased's estate.

Purchase of the minimum shareholding of £25 means you are a member of the CBS with voting rights. To purchase shares and become a member you must be over 16 years of age.

- Our **original fundraising share offer** opened in May 2017 and closed in April 2018. Regulations are that this special offer with a target of £250,000 total had to be limited to one year. These shares carry the option of SISR (Social Investment Tax Relief) from HMRC.
- If you do not already hold shares but would like to become a CBS member, from the October 2018 AGM we opened an **additional membership share offer**. This is not date limited but does not carry SISR. In all other respects it is the same type of share as the original offer.
